Sh. Punam Suri

President

DAVCMC, New Delhi &

Arya Pradeshik Pratinidhi Sabha, New Delhi

His quest for excellence has become an instrument of positive change and myriad innovations.

DAV's vast, pervasive network of institutions owes its strength and sustenance to the age-old values and wisdom that are so reverently enshrined in the Vedas. When Swami Dayanand gave the historic call 'Back to the Vedas', he laid the foundation of a noble society founded on the moralistic principles of Vedic wisdom. Thus was created "Arya Samaj", Swami Dayanand's dream for the betterment and upliftment of society. And when Mahatma Hans Raj carried forth the torch of Vedic light into the field of education, DAV -- Dayanand Anglo-Vedic-institutions were created. DAV, right from its point of existence, embodies the spirit of sagacity and sacrifice that was so deeply entrenched in the lives of the renowned stalwarts such as Mahatma Hansraj and Lala Lajpat Rai. In my discourses, I often highlight the strategic wisdom of the placement of the three letters D,A,V where "Anglo" refers to Western philosophy and knowledge, and its position in the middle signifies the wonderful balance that our institutions achieve, that is, to remain rooted in the Vedic values revered by Swami Dayanand, while imbibing the best of Western thought. For DAV, there is no limit to the attainment of knowledge because our Vedas inspire us to dwell into the soul as well as seek awareness of all that the outer world has to offer. It is due to this divinely powerful combination of the mind and the soul that DAV, with a strength of nearly 800 institutions, has spread all over India as well as abroad..

Our challenging journey towards excellence goes on...

Dear Students

It gives me immense pleasure to congratulate you on choosing DAV College, Sector 10, Chandigarh for admission and also to welcome you to the college.

'Students who get higher education are a privileged class in our country, particularly those who have the opportunity of studying in some outstanding institution as this college' These are the glowing and the ever inspiring words about our beloved College spoken by Shrimati Indira Gandhi, former Prime Minister of India, when she visited it in 1984.

Having been founded in 1958, when the city of Chandigarh was in its infancy, the college is marching ahead with gigantic strides in the spirit of the Upanishadic injunction: 'चरैवेति चरैवेति' (keep marching on). Being the foremost and the best in virtue of performance among the institutions named after Dayanand, this college has grown into a worthy model of a faith in his gospel, a source of inspiration for others. As the Gita says, "The example set by the elect is followed by the rest (यद्यदाचरति श्रेष्ठस्तत्तद वेत्तरो जनः). DAV stands for Dayanand Anglo-Vedic, a term that is unique in its amalgamation of ancient heritage and modernity. "Dayanand" and "Vedic" are the impetus for the DAV movement, connoting the richness of the Maharishi's value system and the profundity of Vedic wisdom. Steadfastly balanced between the two is "Anglo" that refers to the best of the western knowledge that is updated with the latest technology, yet which is well within the parameters of our ancient vedic heritage. The branches of the tree of knowledge will spread far and wide, yet it is the roots that will give strength and substance to the leaves fluttering merrily in the breeze. We are to set and achieve highest standards in education as our sublime mission is man-making. DAV students get the best of the two worlds: they compete with the world for optimum knowledge and opportunities, and simultaneously build a strong, noble character rooted in Vedic values. The DAV College,

Chandigarh has taken the lead in equipping the youth with the moral fibre they badly need today. Unless we do so we cannot dream of stemming the rot which has set in in our society and threatens to undo the work of Swami Dayanand.

This college has had a distinguished history. It is not for nothing that students from all parts of the country and abroad vie with one another to find a seat in this institution. During more than fifty years of its existence we have produced great administrators, jurists, academicians, artists and sports persons of international repute. Even this year we have achieved outstanding results in academic, sports and co-curricular activities. **Our college girls have created history by scoring the highest points and winning the Panjab University overall trophy for general excellence in sports for the first time. On the other hand, in the boys section the college is ranked runners-up for the Panjab University Overall trophy for general excellence in sports. Moreover, 13 Boys and Girls of our college have represented their teams in International tournaments in this session.**

Recently, FIST has granted Rs. 1.5 crore for carrying out research in the College.

RUSA has granted Rs. 2 crore for improving the infrastructure, purchase of equipments etc. Several major and minor projects sponsored by the U.G.C. and other funding agencies have been undertaken by the faculty.

The college has been allotted four research centres in the departments of Chemistry, Zoology, Bio-technology and Physics. We have established the latest, state-of-the-art laboratories to enable teachers to guide students in their research work. About 100 students have been registered with Panjab University for research work leading to the award of Ph.D degree under the supervision of our college faculty.

Recently, Ministry of Youth Affairs has awarded our college NSS unit for excellent community work in the region under the National Youth Programme. Our college unit did a village survey about the threat of dengue fever and sensitised villagers about the disease.

I am sure when you join this college you will become a part of this glorious tradition of growth and excellence.

God Bless You!

Dr. B.C. Josan

The DAV institutions are playing a dynamic role in socio economic resurgence and in keeping

the shining aspects of our ancient culture and values alive. The only name which echoes more soundly is that of DAVs for having earned the credit for producing eminent scholars, social reformers and reputed personalities who have deeply influenced the post-independence era and left their seat of authority and superiority in almost all walks of life. The way DAVs are running their educational institutions is peculiar in many ways; especially one always takes pride in referring to the strict discipline maintained by the teachers and the taught. Further more to their credit the DAVs come in a big way producing many star players and athletes like Kapil Dev, Yog Raj Singh, Madan Lal and stylish batsmen like Surinder Amarnath and Mohinder Amarnath who have represented the country against the leading cricket playing nations of the world.

Mission & Objectives

D.A.V. College Chandigarh was founded in 1958, when the city of Chandigarh was in its infancy. The college has grown with the city, becoming an integral part of the region's socio-cultural milieu. The college belongs to the family of the famous D.A.V. institutions, founded by Mahatma Hans Raj, and inspired by the great visionary - Swami Dayanand Saraswati-the doyen of the Arya Samaj, who believed that, "True education consists in promoting knowledge, civilized manners, virtuous character, self-control and other moral qualities and in dispelling ignorance". He had always felt that the scientific knowledge of the west needs to be absorbed in the cultural milieu of India. The DAV movement, which started in 1886, gives a practical shape to the ideals of Swami Dayanand's educational philosophy which aims to develop a modern scientific approach among the students, coupled with an understanding of their roots in the ancient Vedic Culture. The D.A.V. College, Chandigarh is trying to bring about this synthesis by imparting to the students the best of new world humanistic, scientific and technical knowledge with the sense of history of their rich cultural heritage-the Anglo and Vedic values. We work to achieve these broad objectives.

The college was built from scratch with missionary zeal. Brick by brick, the early principals and teachers at the college put in super human efforts to launch the college. And those among the students who saw the college come up, knew exactly, what the growth had entailed. They experienced first hand, the self less labour and love, and the sense of duty and discipline, which had gone into the making of the institution. It is this that makes many of these old students, themselves occupying high places, come back to the college for

educating their sons and grand-sons, and now even daughters and grand-daughters. They believe that the skills and values ingrained in them, which helped them succeed in their lives, have been acquired by them in this institution. They not only remember their college for its academic excellence, its committed faculty and dedicated principals, its ever growing impressive infrastructure and its star sportsmen.

Distinctive Features

Every student enrolled with us is allowed perceptive freedom to excel in his chosen field of endeavour and interest. That is one reason, we believe, that has helped using moulding career of some of the best young men & women of this region. Offering of maximum facilities to the students so that they fulfil their potential has been the hallmark of the college. All incentives in the college, be they in the form of special coaching or

counselling, extra books, sports equipment, fee concessions, stipends, scholarships, etc. have not really to be applied for. They are theirs for the deserving students in all fields of academic, extra curricular and sports activities.

The infrastructure and student support facilities available in the college have enabled us to remain on top in the region. Our students continue to bag top positions in studies. We have successfully launched postgraduate programmes in IT., Commerce, English, Bioinformatics, Biotechnology, Chemistry, Maths, Zoology, Psychology, Public Administration and Sociology, Economics and P.G. Diplomas in various fields.

We have produced 69 International Sportsmen & Women like the legendary Kapil Dev, Yuvraj Singh, Yograj, Dinesh Mongia, Jeev Milkha Singh, Irina Brar & Anjum Moudgil. This tradition is alive and kicking even today. Young

scholars, almost every year, inspired and fired by glowing examples of their predecessors do their best to maintain the high levels of excellence that are very rarely achieved elsewhere. When they come here success is only a sacred word in their prayers, when they leave success is actually a solid weapon in their hands. With this weapon they proceed to win all battles of life.

Our achievements have enabled us to play host to four Vice-Presidents, one Prime Minister, several Union Ministers, Governors, Chief Ministers, great religious Leaders and other dignitaries. They have graced our functions on many occasions and blessed and motivated the students and staff.

Social Commitment

A practical demonstration of our students' attitude can be seen in the concern they develop for their country and their community. They actively imbibe the spirit of social service and many of them join the armed forces. To the martyrs from our college, we have dedicated our Administrative Block and named it 'Shaurya Bhavan'. The idea of service to the community and the

nation is reinforced through the homage that is paid to the martyrs at their memorial in the college before the start of any function by all dignitaries visiting the college from time to time. Our students involve themselves in programmes like Blood Donation, Drug-deaddiction, AIDS awareness, Pulse Polio Campaign and service to the blind, etc. We have also joined a project to give shelter to street children. We have been holding computer literacy classes for senior citizens. The training is given free of cost. More than 500 senior citizens have benefitted so far.

Teaching/ Learning and Evaluation

The college enjoys its enviable position because of effective teaching-learning and evaluation processes. Students are provided appropriate counselling at the time of admission and selected on the basis of their past academic performance after an interview. Their knowledge, skills and attendance in class are regularly monitored and their wards' performance. A system of continuous assessment of students has been introduced. Students are encouraged to develop one or the other

interest, hobby, beyond their studies and their participation in college activities is rewarded accordingly.

The courses set by the University are covered intensively with the help of all available teaching aids in the college. The faculty use computers/ multimedia/ audiovisual aids to make lectures interesting. A variety of teaching methods combining the traditional lecture with laboratory-based practicals, tutorials and seminar teaching, wherever required, are employed. Term wise teaching plans and unitized syllabi help the students/ teachers gauge their performance and progress. Subject related quizzes, contests, etc. are arranged to monitor students' reading, and for creating interest in and awareness of the subjects. All departments have their own subject societies for arranging extra-curricular activities.

Research Cell

A Research Cell has been established in the college to promote research temperament and culture. Recently, FIST has granted Rs. 1.5 crore for carrying out research in the College. RUSA has granted Rs. 2 crore for improving the infrastructure, purchase

of equipments etc. Several major and minor projects sponsored by the U.G.C. and other funding agencies have been undertaken by the faculty.

The college has been allotted four research centres in the departments of Chemistry, Zoology, Bio-technology and Physics. We have established the latest, state-of-the-art laboratories to enable teachers to guide students in their research work. About 100 students have been registered with Panjab University for research work leading to the award of Ph.D degree under the supervision of our college faculty.

Research Journals

The College brings out Research Journals in Humanities and Social Sciences, Language, Literature and Culture namely DIVINER, SOCIUS PRUDENCE, THE SCHOLASTIC FORUM. The journal called DIVINER publishes research based articles/ papers contributed by research scholars and teachers in India and abroad. It has been running successfully since 2004. The journal cum magazine SOCIUS PRUDENCE is first of its kind in India. It provides a platform to the students to get their research papers and articles published. The magazine is run by a student editorial board along with an advisory board.

Placement Cell

The DAV College, Chandigarh has a fully functional Training and Placement Cell in place, which is committed to providing all possible assistance to its students pursuing various degree/diploma/vocational courses in their efforts to find employment. It is run by a Coordinator (appointed from among the faculty members) and Training and Placement Officer ably supported by student placement coordinators from various departments. The Training and Placement Cell is active throughout the

year for the facilitation of contacts between recruiters and students. It arranges pre-placement lectures on communication skills, soft-skills, group discussions, personal interviews, resume-writing etc. for honing the capabilities of students. Both on-campus and off-campus interactions with the recruiters are facilitated regularly. The Cell also invites industry professionals to interact with the students in order to identify the emerging opportunities in the corporate world. An Annual Placement Drive is held every year in the months of March/April wherein leading recruiters come to the College campus to hire students. With a motto of *^mn~;esuSo fg fl;/fUr*** i.e., industriousness leads to the completion of tasks, the Training and Placement Cell steadfastly endeavors to provide opportunities to students in line with their competencies and to help find the best fit as per their requirements. The Training and Placement Cell has recently acquired a software called Calyxpod that allows for database generation of student resumes, sending of customized notifications to the students and sharing of their details with the recruiters. The students can also use the software as an Android app on their smartphones.

Following companies are visiting the campus for placements :

Lowe Lintas & Partners, Infosys, Ernst & Young, Wipro, Decathlon, Future Generali, Aircel, Godrej, Tata Consultancy Services, Tech Mahindra, Ernst & Young, JK Money, Vivo, Larsen & Toubro, CapeGemini, Federal Bank, Divisa, Ecleryx, Deloitte, Fit Kids, Kips, Convergys, GoAir, Wise Media, British Telecom, Tech Mahindra etc.

Infrastructure

Our greatest advantage is that the college is located in the heart of the city, easily accessible to commuters from

outside and different sectors of the 'City Beautiful'. We have buildings with spacious classrooms, sprawling lawns, a beautiful seminar complex with audio visual aids, two auditoriums, a cyber cafe, 27 sophisticated labs, well equipped Gymnasium, Language Lab, Smart class rooms and vast playgrounds. Besides this, we have a coffee house and a separate canteen on the campus.

A doctor remains on duty in the college dispensary to attend to the minor ailments of staff and students.

Healthy Practices

The College attempts to cater to the special needs of all students in various ways. It organizes remedial classes and makes special arrangements for advance learners. It provides an environment which facilitates learning.

Ragging, Drinking and Smoking are prohibited on the campus. Musical concerts which encourage vulgarity and obscenity are not allowed in the college. Antidrugs, antiviolence and anti-alcohol programmes are organized by the active participation of the Students' Central Association. The students are only allowed two wheelers on the campus so that they realize the need of observing some austerity, and also contribute to the conservation of natural resources. Our endeavour is to produce sensitive and successful humans in tune with the demands of modern times.

Grievance Redressal Committee

A Grievance Redressal Committee takes up all issues including those of complaints of alleged discrimination of students from the Scheduled Castes, Scheduled Tribes, OBC's, Minority or disabled categories.

Committee against Sexual Harassment

The College ensures that all Students, faculty, Staff, Karamcharis and Officials treat one another with due respect and that the institution remains a healthy

and safe seat of work and study bereft of any kind of sexual harassment, Unwelcome sexual advances, requests for sexual favours, other visual, verbal or physical conduct of a sexual nature constitute sexual harassment.

Know your rights-sexual harassment is illegal, both the law of the land and the college prohibit sexual harassment.

Speak-up if you can, tell the person to stop. State clearly and firmly that you want a particular behavior to cease.

Get information and support- if you feel you cannot speak up, ask your friends to help you and bring in to the notice of the college authorities. Keep records that might be useful for pursuing the case.

The College has constituted a Women's Cell & Sexual Harassment Committee to deal with all such issues.

Parent Teacher Association

Every educational institution has its own set of values by which the standards of that institution are assessed. It is not sufficient for the college to send to parents, a list of college rules to which the students are

to be subjected. It is most important for parents to understand the essence of those rules and regulations. Such understanding can only be derived in the form of PARENT TEACHER ASSOCIATION. Parents need to understand the rules and regulations so as to encourage their children to abide by them and as such support the institution to keep the standards and values in the interest of the students. Thus, in a forum of this nature there is bound to be an entente between the parents and the teachers which go a long way to help the students. Meetings like this have the advantage of a very frank and open discussion which leads to resolutions being taken in the interest of all. A student's academic success is greatly enhanced when teacher and parents are partners in the process. A variety of communication methods are required to build and sustain solid relationships with parents. A teacher is the second most important person in a student's life (after her parents, of course). A positive parent-teacher relationship helps the students to feel good about the institution and excel in academics. PTA

is essential for students to perform excellently both academically, morally and spiritually. Keeping all these facts in mind the parent teacher association of DAV College, Chandigarh is performing the tasks that have been assigned to it by regular parent teacher meetings after short intervals. The students / parents can visit this link : (<http://www.davchd.com/Feedback.aspx>.) for their suggestions, grievances and feedback.

Mentoring

Mentoring is a professional activity, a trusted relationship and a meaningful commitment. The origins of mentoring can be traced back to ancient Greece as a technique to impart to young men important social, spiritual and personal values. Mentoring as we know today is loosely modeled on the historical craftsman / apprentice relationship, where young people learned a trade by shadowing the master artisan. Keeping in view this healthy practice mentors have been appointed for every class in our college for better communication between the teacher and the taught. Students can contact their respective mentors for any guidance they require.

D.A.V. College Alumni Association

The alumni association is the most important part of an educational institute. It says a lot about the quality of education imparted in that institute. Part of the reputation of a college rests on its Alma Mater. After the students complete their education, they begin their journey in various walks of life. Many of them attribute a lot to the kind of education, grooming, opportunities,

co-curricular activities and facilities provided by their college. Many students like to come back to their college that has been a very important part of their memory. They feel obliged to the Institute that opened new avenues of job for them by building them academically strong. The D.A.V. College Alumni Association was formally launched in 2002-03. The objectives of the Association are:

- i) to promote and inspire a feeling of fraternity between all the old students.
- ii) to strengthen the link and tie of fellowship between the present students, members of the teaching staff of D.A.V. College, Chandigarh and the old students in the country and abroad.
- iii) to promote and encourage active interest in the progress and welfare of its members, students and old boys.

The Students' Central Association

The SCA is an important link in the redressal of students' grievances. It is also an asset to the college in the maintenance of decorum/ discipline in the college; arrangement of various college functions, etc.

The Students' Central Association guards the best interests of the students. Our approach in this matter is reflected right from the way we use the idea of students' election. We work from the belief that early exposure of the students to electoral process is a good idea, provided it is taken up in the right manner. In our college we have reduced the intervention of the political groupings to the minimum level.

No doubt the student groups have affiliation with the student bodies of political parties. The difference we make is that we involve all students in matters of their immediate interest thus leaving them no space to peddle the bad practices of the professional politicians. These have no impact on our students as they are made to strictly adhere to necessary election codes. Our students contest the most peaceful

Our students contest the most peaceful election without taking recourse to the mean methods of influencing the voters.

Once the elected body is put in place, all types of election fever and rivalries are

forgotten once and for all. Even those students who have lost in the contest continue to get full attention if they bring up the genuine problems concerning the students.

Glimpses of Events organised by DAV College, Chandigarh During the Session 2017-18

PRINCIPLES OF ARYA SAMAJ

1. God is the efficient cause of all true knowledge and all that is known through knowledge.
2. God is existent, intelligent and blissful. He is formless, omniscient, just, merciful, unborn, endless, unchangeable, beginning-less, unequalled, the support of all, the master of all, omnipresent, immanent, unaging, immortal, fearless, eternal and holy, and the maker of all. He alone is worthy of being worshiped.
3. The Vedas are the scriptures of all true knowledge. It is the paramount duty of all Aryas to read them, teach them, recite them and to hear them being read.
4. One should always be ready to accept truth and to renounce untruth.
5. All acts should be performed in accordance with Dharma that is, after deliberating what is right and wrong.
6. The prime object of the Arya Samaj is to do good to the world, that is, to promote physical, spiritual and social good of everyone.
7. Our conduct towards all should be guided by love, righteousness and justice.
8. We should dispel Avidya (ignorance) and promote Vidya (knowledge).
9. No one should be content with promoting his/her good only; on the contrary, one should look for his/her good in promoting the good of all.
10. One should regard oneself under restriction to follow the rules of society calculated to promote the well being of all, while in following the rules of individual welfare all should be free.
