Teachers' Feedback Report

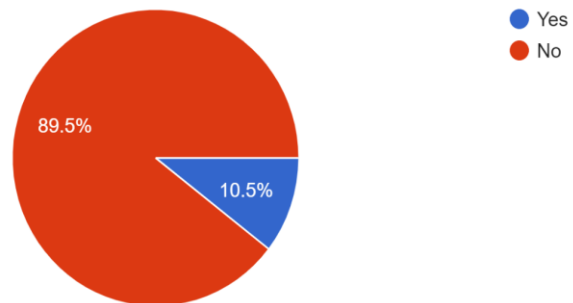

Classes Taught

371 responses

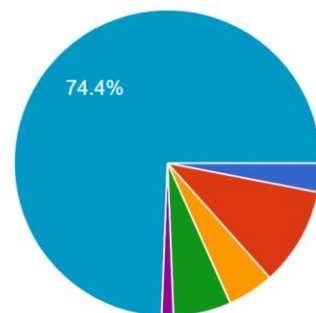

Are you a member of the Academic council/Board of Studies (BoS)/Sub-Committee to design Syllabus?

371 responses

If Yes, then please specify

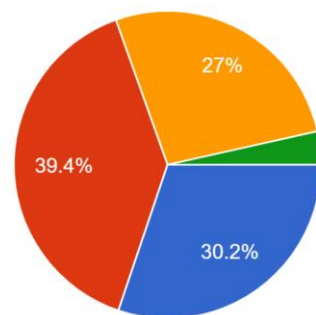

164 responses

- Academic Council
- Under-Graduate BoS
- Post-Graduate BoS
- Both UG PG BoS
- Sub-Committee
- Other

How will you evaluate the quality of education ?

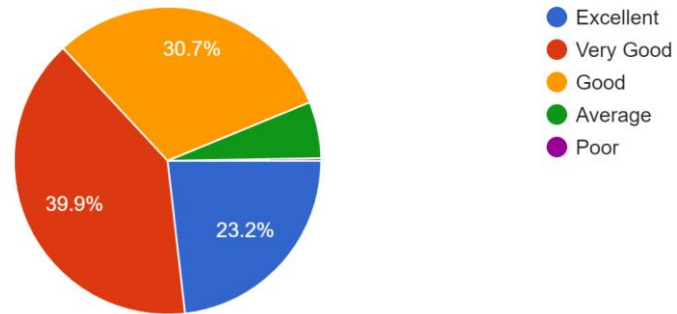

371 responses

- Excellent
- Very Good
- Good
- Average
- Poor

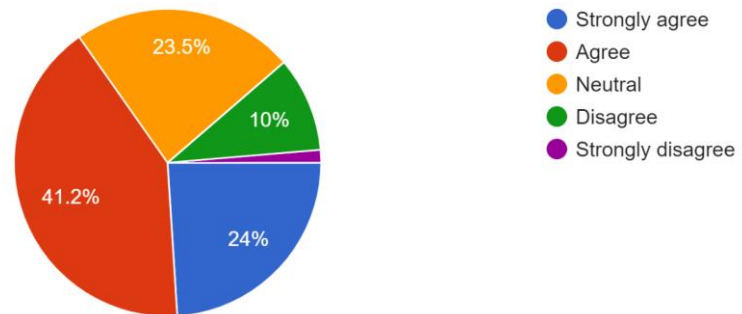

How do you rate the relevance of the courses included in the curriculum ?

371 responses

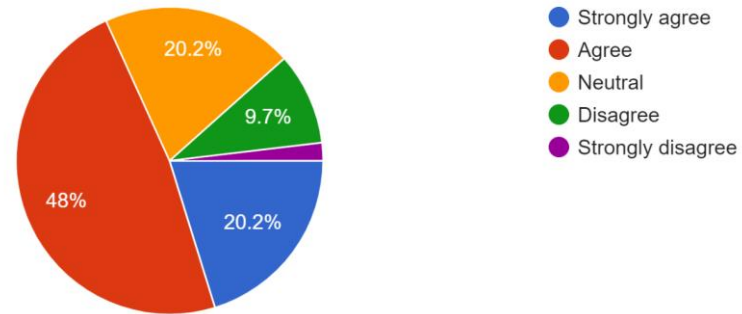

The content of syllabus is revised from time to time according to changing need of employability.

371 responses

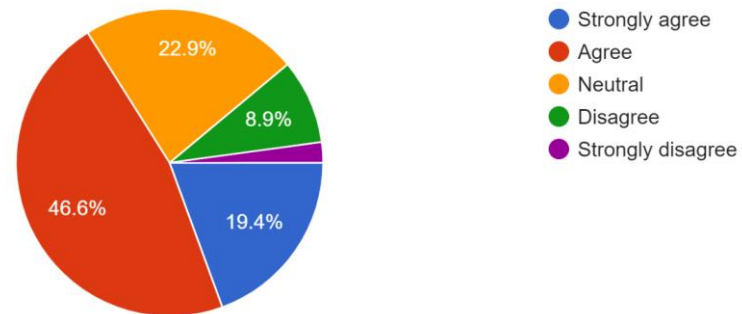

The syllabus is need based to bridge the industry-academia gaps.

371 responses

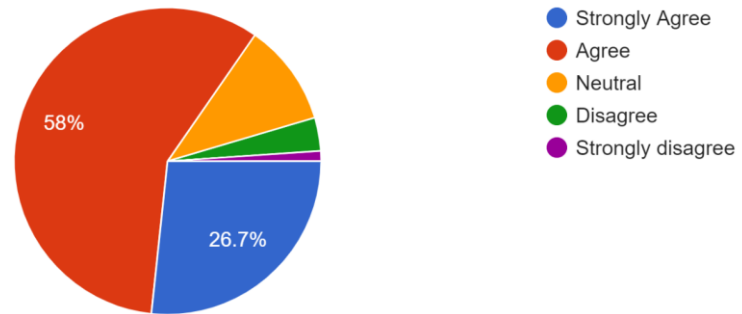

The curriculum is designed to enhance employability and entrepreneurship.

371 responses

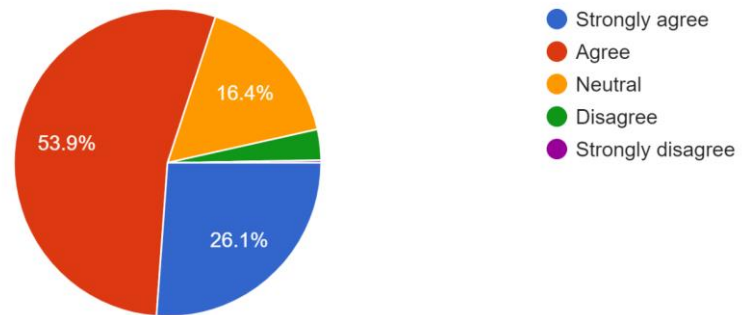

The syllabus imparts learning in terms of values, skill, concept, knowledge and critical thinking in students.

371 responses

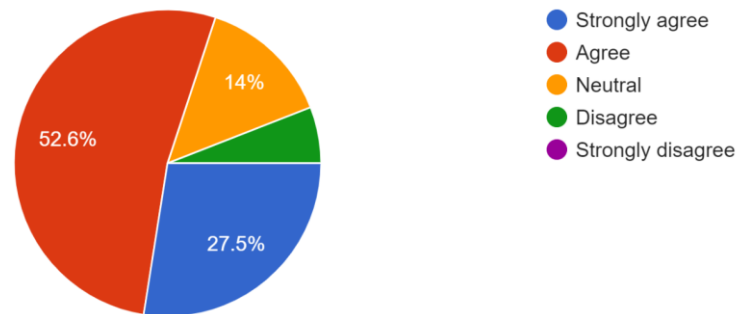

Communication skills of the students get enhanced.

371 responses

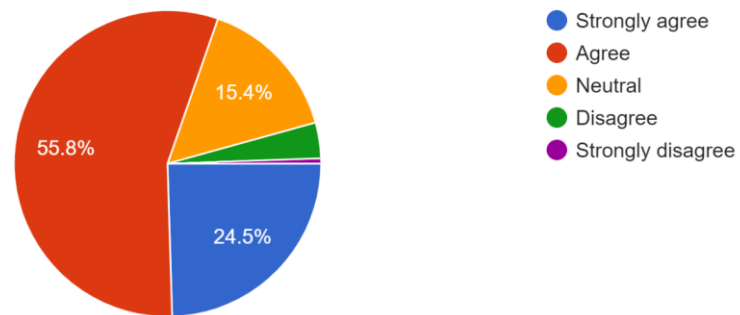

Curriculum increases the consciousness of the students about environment, energy conservation and cleanliness

371 responses

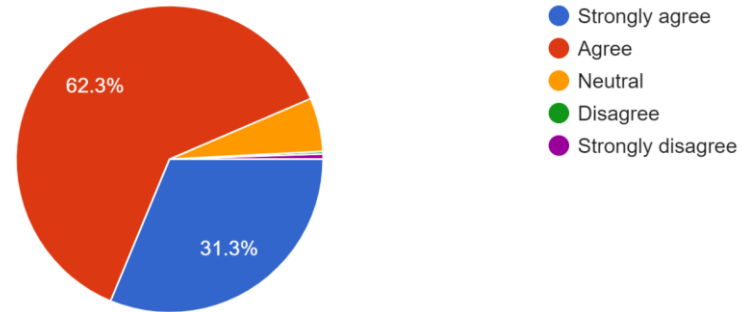

Aims and objectives / Practical outcomes and implications of the syllabus are well defined and clear.

371 responses

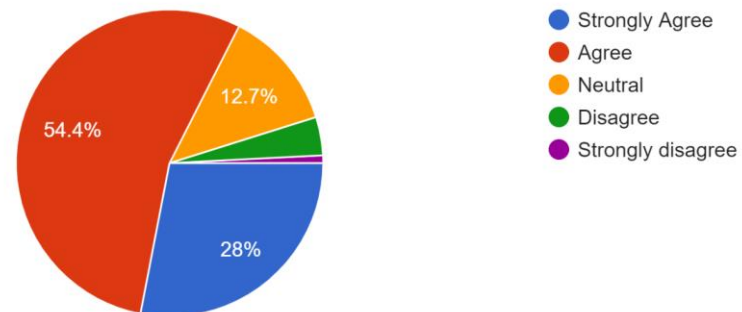

The course and syllabus increase the students' knowledge and understanding of the studied subject.

371 responses

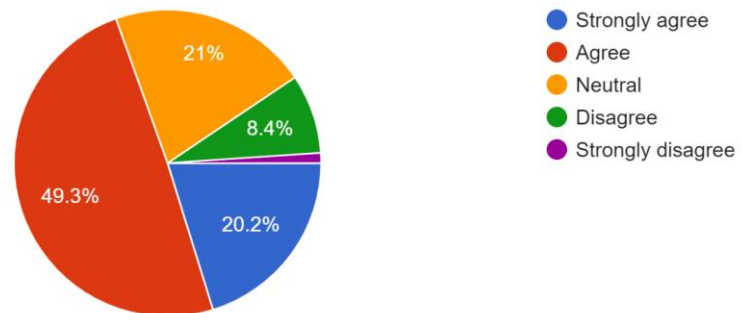

The prescribed books are appropriate, relevant and updated

371 responses

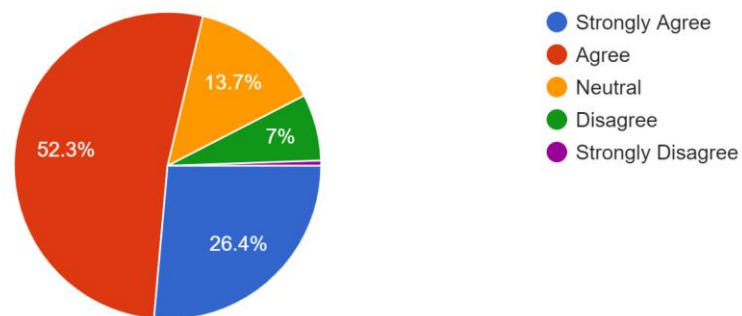

The syllabus is directly related to enhance practical competencies.

371 responses

D.A.V. COLLEGE

Sector 10, Chandigarh-160011

(A Premier Postgraduate Co-educational College Accredited With 'A' Grade By Naac)

Ref. No.....

Dated..27/6/2022

ACTION TAKEN REPORT ON STAKEHOLDERS FEEDBACK

The feedback forms were collected from all stakeholders on several aspects of curriculum and its learning related issues. The College has taken necessary measures and actions to comply with the issues raised by the stakeholders. The major issues and actions are mentioned here:

- Most of the stakeholders are satisfied with the curriculum and outcome of course. Curriculum is well structured and suitable for the desired program outcomes. As large number of the college faculty members are members of the board of studies of their respective subjects, they always suggest measures at the university level to make the curriculum more relevant to the present day needs. The curriculum suggestion was given to university and changes are made time to time in syllabi.
- All the teachers are encouraged to enrich the curriculum with more appropriate teaching-learning methods and techniques. Depth of the course content needs to be increased for achieving the expected Course Outcomes: Teachers were informed to keep check on the attainment of course outcomes.
- Many challenges are faced by the teachers and students during the Covid pandemic due to long hours of screen time on mobiles or computers exposure for effectively running the online classes. During the academic year 2021-22, online teaching mode continued during first semester but the second semester was in offline mode. Multiple students said that one of the biggest challenge faced during online mode of teaching is network related issues. The Network-connectivity problem cannot be sorted out either by college or the department. It was the network issue of that particular area to which the students belong. But the college prepared well to cope up with any such situation arising in the future.
- In the teaching-learning experience segment, students have given positive responses especially, effective communication between student and teachers.
- More practical training sessions were desired by the students. After pandemic teachers paid more attention to practical sessions and made their teaching more experiential. Teachers those have field project in their subject paid more attention to have more field visits and thus gave exposure to students for field visits.
- Teachers were encouraged to adopt more innovative techniques and strategies for teaching.

D.A.V. COLLEGE

Sector 10, Chandigarh-160011

(A Premier Postgraduate Co-educational College Accredited With 'A' Grade By Naac)

Ref. No.....

Dated.....

- Teachers were made available with appropriate ICT facilities and encouraged to make its effective use.
- More extension activities were organized. Celebrations of various National and International days were held by various departments/NSS/ NCC in the college. Workshops and plantation drives were conducted for the Conservation and Protection of Environment and to create a pacifying atmosphere in the college.
- Experts were invited to share their knowledge with the faculty and students. This helped them to interact with the resource persons and was motivated to do higher studies and take up jobs which has challenging future ahead.
- Our institution provides excellent facilities and support to the students to pursue sports activities.
