Syllabus should be skill based n enhance employability levels.

Some syllabus need to be change

NEP will probably upgrade curriculum as per need of hour

In one class, students should be less than 40...Basic knowledge of first aid, nutrition, self defence, cooking, Motor vehicle should be given...Counselling of students should be done on regular basis.

To increase attendance of students in the class some more orientation programs should be held in college to motivate students towards attending classes regularly.
