ICT enabled tools for effective teaching-learning process

Technology has become an integral part of learning in the present educational scenario. Our college has been on the forefront of adopting any latest technology for enhancing the student knowledge for effective teaching learning process. The ICT enabled learning environment of the institution is conducive to developing creative and critical thinking as well as scientific temper among the students. Fully Wi-fi enabled campus, smart classrooms equipped with smart boards, LCD projectors, computer systems, IT labs, ICT tools are provided. Teachers take necessary efforts of teaching from Power Point presentations for elaborating on diverse course contents. Faculty is provided with the requisite facilities for preparation of computer aided teaching – learning material. The platform has been put to extensive use during the pandemic times when distant teaching-learning became the only mode of communication between the teachers and the students. Regular classes are taken through this on-line platform. College has provided a G-Suite platform for effective and uninterrupted online teaching during the unprecedented times like the one during covid pandemic. Both teachers and students have been provided with institutional IDs to join the classes via Google meet for hassle-free learning. Students and faculty benefitted through Virtual labs, NPTEL and SWAYAM portals during the period.A well-equipped RFID enabled open access computerized library with internet facility is available for faculty and students. The college library has e-resources including e-books, e-journals and e-Newsletters which are being effectively for better learning. Relevant soft wares for relevant subjects are regularly updated by the institution so that students are updated with latest developments in their subject.
